

Auger Specifications

HANDMADE PRESSURE DRILL ROCK AUGER TOOLING

AVAILABLE FOR RENTAL OR SALE

Single Row/Double Flight HD Pressure Augers

- ❖ Key Features
- ❖ Heavy Duty DOM Stem
- ❖ 1" flight standard
- ❖ Twin Torque lifting lugs
- ❖ High strength Kelly box
- ❖ C30 rock pilot
- ❖ C31HD Rock teeth
- ❖ Forged/Heat treated C30 Blocks
- ❖ Custom tools available on request

- **CUSTOM HANDMADE AUGERS, MADE IN THE USA with US Materials**
- **Highly specialized tubing (94,000lb yield strength)**
- **We only use A572 Steel (50ksi wear resistant) with "twice the bending strength"**
- **Most of our Competition uses A36 "Soft Steel"**
- **Proprietary Flight Design pulls up to 40% more Material out of the hole**
- **Our Auger Tooling produces higher rates of Linear Footage, where others fail**
- **THIS EQUALS TOTAL LOWER COST PER LINEAR FOOT**
