SLP - SPLICE LAB PICKUP

SPACEKAP LAB | PICKUP MOBILITY | CONFIGURABLE WORKSPACE

Illustrative jobsite setting. SpaceKap examples; pictured chassis and equipment vary.

CHOOSE HOW TO BUILD YOUR SPLICING LAB

COMPLETE PICKUP PACKAGE

A complete pickup-and-lab package is quoted separately. Chassis, body, equipment and availability must be confirmed in the written quote.

CUSTOMER-SUPPLIED PICKUP INSTALLATION

An 8-ft lab insert and selected equipment can be quoted for installation on your pickup. Pickup purchase is excluded. Fit, mounting requirements and labor are confirmed after chassis review.

CALL FOR PRICE

Use the equipment checklist on page 2 to discuss your preferred configuration. Selections are requests, not included standard equipment or a compatibility guarantee.

Final equipment, chassis suitability, installation, freight, taxes and lead time will be confirmed in your quote.

CHOOSE YOUR LAB EQUIPMENT

DOWNLOAD, OPEN IN A PDF READER, SELECT OPTIONS, SAVE AND RETURN

Equipment selections for the customer-supplied pickup lab installation. For a complete pickup package, request a separate configured quote. All options: CALL FOR PRICE.

SELECT	OPTION	QTY
☐	Dometic 13,500 BTU air conditioner	1
